EXPERIENCE PASSOVER

ELIJAH’S CUP

PASSOVER ACTIVITY

In Judaism, Elijah’s cup is a ceremonial cup of wine poured during the Seder dinner on Passover. It is left untouched in honor of Elijah, who according to tradition, will arrive one day as an unknown guest to herald the advent of the Messiah.

1. Gather Supplies:
   - Plastic Cup
   - Tissue Paper
   - Yarn or Ribbon
   - Markers
   - Scissors
   - Glue
   - Misc. Decorations (stickers, gems, beads)

2. Cut your tissue paper into small squares.
Apply glue around the cup and spread it around evenly.

Place your squares of tissue paper around the cup to cover it completely.

Now add all your decorations! Wrap the yarn or beads around the neck of the cup and apply glue to hold in place. Place the stickers and gems wherever you like. Add yarn or ribbon around the top of your cup with glue. After decorating Elijah’s cup, let sit and dry.

Use your marker to add Elijah’s name to the cup. Now it’s ready to leave at your table for the Seder!

Note: Using different colored tissue paper gives it a stained glass effect!
