An Interactive Workshop on Gender Awareness
for Children and Families

THURSDAY, JUNE 18TH

11AM - 12PM (5 - 7 year olds)
1PM - 2PM (8 -10 year olds)

25 people max per session

Join Miami Children's Museum, in partnership with the YES Institute, for a fun-filled afternoon of informative discussion and age-appropriate activities for children and parents alike.

Children are growing up in a time where gender equality topics are prevalent in the media and among their peers. Youth often face a great deal of pressure when attempting to fit in and conform to social expectations of masculinity and femininity. Join us for an interactive and engaging conversation about gender stereotypes, authentic experiences of children, and what parents can do to champion welcoming and safe environments for young people.

Please RSVP to Estefania at emonti@miamichildrensmuseum.org.
