Popsicle Stick Number Puzzle

BACK TO SCHOOL BASH

As you prepare to start school again, make sure your counting is on point! Combine your art and math skills with this fun puzzle.

1

Gather materials:

- Black Marker / Sharpie
- Jumbo Popsicle Sticks
- Paintbrush
- Scissors
- Tape
- Paint
- Pencil

2

Line up 10 popsicle sticks side by side. Try to make them perfectly straight so that your picture isn't crooked.

PRO-TIP:

Use more popsicle sticks for your puzzle if your child has already mastered #1-10.

3

Cut or tear 2 long pieces of tape and stick them across all the popsicle sticks, leaving a little overlap on either side.

4

Flip your sticks over and use a pencil to draw a design or picture across the popsicle stick "canvas".

5

Paint your design, then let it dry.

6

Using your black marker or sharpie, add outlines or any small details to your painting.

7

Continue using your marker to write numbers 1 - 10 on the bottom of each stick.

8

Remove the tape on the back of your sticks.

9

Jumble your puzzle pieces together.

10

Try to put your puzzle together by putting each piece in the correct number order.
